08/04/2014 - 20:44	Louise from Lancaster we have had a few meals from this take away, they have all been fab with the exception of the last one as the delivery man was really late and the food had gone a bit cold, but every other time the food has been fantastic.. the homemade chips r the best. this is my fav takeaway and I think the problem with the last order was just a one off because its usually spot on. 04/04/2014 - 20:33	Matthew from Lancaster Ordered me beef burger. Outstanding. Food came quicker than expected and was good quality as always.	Quality: 6 out of 6 Deliverytime: 6 out of 6 Service: 6 out of 6
03/04/2014 - 17:28	Sam from lancaster This is an amazing place. It is more restaurant quality food than takeaway. You will not see a frizbee burger or cardboard bun here! Beautifully cooked and prepared food made to a very high standard. Sure, you pay more, but it is worth every single penny! The staff are nice too! Been going here for a few months now and just had to write and say how good it was! Please keep up the good work!	Quality: 6 out of 6 Deliverytime: 6 out of 6 Service: 6 out of 6

Very tasty and very fresh. Unusual pizza dough though. Some love it, some hate it.

I accidentally ordered a veggie, rather than vegan pizza. To the delight of my housemates. They agreed with me that Dominick's make the best pizzas in Lancaster. HANDS DOWN!

This was a very nice meal, we got a chilli. It would have been nicer with a tortilla wrap. Nice to have something fresh though and not stodge. The pizzas from here are lovely also.
